Yakov Hi

Keep working on Ofer, Ziser, Tshuva as well as Italy, Greece, Kazakhstan and the other agreed upon issues. Will come back to you on these with a more detailed picture after the holidays.

As to the future, following our discussion with Victor last month in Moscow, I suggest that after the next quarter which will conclude our first agreement we will change the terms of the agreement to a retainer with a percentage of profit from deals I've initiated or were involved in bringing to completion. I would look forward to your suggestions.

Best regards to Viktor and Felix. And to your family as well

Happy Seasons Holidays

Best
